Hydrant Flushing

Hydrant Flushing will take place on Friday, December 2, 2022 and Saturday, December 3, 2022.

Areas affected are Bow Street and Forest Road.

During hydrant flushing you may notice a slight discoloration of your water. This is temporary and poses no health risk. Simply run your water, preferably from an outside spigot, for a short period of time until it clears up. Do NOT do laundry until you are sure your water is clear. If the discoloration persists, contact the Millis DPW: 508-376-5424.
